My vote on each of the proposed resolutions is as follows: (please mark the appropriate boxes)

1. Communication and discussion of the special report of the Board of Directors established in accordance with Article 7:199 of the Code on Companies and Associations on the proposal to renew the authorised capital

Communication, acknowledgement and discussion of the special report of the Board of Directors established in accordance with Article 7:199 of the Code of Companies and Associations on the proposal to renew the powers granted to the Board of Directors under the authorised capital, as set out below in point 2) of the agenda of the extraordinary general meeting of shareholders, and setting out the special circumstances in which the Board of Directors will be able to use its powers under the authorised capital, as well as the purposes pursued thereby.

As this concerns only a communication, acknowledgement and discussion, there is no proposed resolution in respect of this agenda item and no vote is required.

2. Renewal of the authorisation to the Board of Directors to increase the capital under the authorised capital by up to 100% of the capital².

Proposed resolution: The extraordinary general shareholders meeting resolves to renew the authorisation to the Board of Directors to increase the capital in one or more times, during a period of five (5) years starting from the publication of this authorisation in the Annexes to the Belgian Official Gazette, by a total amount not exceeding 100% of the current amount of the Company's capital, and this in accordance with the terms and conditions as set out in the special report of the Board of Directors drawn up in accordance with Article 7:199 of the Code on Companies and Associations, as mentioned in agenda item 1 of this extraordinary general

¹ Only applicable to holders of subscription rights issued under the long term incentive plans of the Company for its and its subsidiary's personnel. The Company has not issued any other subscription rights. Holders of subscription rights only have an advisory vote.

² As of the moment that the renewed authorised capital under this proposal to the extraordinary shareholders meeting to renew the authorised capital can be used, the existing authorisation approved by the extraordinary general meeting dated 18 June 2021 shall be cancelled and the present proposal shall replace it. For the avoidance of doubt, to the extent the present proposal would not be approved, the existing authorisation as currently contained in article 6 of the articles of association will remain valid and in force, it being understood that the amount of the authorised capital will be limited to the level as provided for in article 7:198 of the Belgian Code on Companies and Associations.

shareholders meeting. Consequently, the extraordinary general meeting of shareholders resolves to delete Article 6 "Authorised capital" of the Company's Articles of Association in its entirety and replace it with the following text (whereby the date in §1 and §4 of Article 6 of the Company's Articles of Association mentioned below that appears in square brackets shall be the date of the general meeting of shareholders approving the renewed authorised capital):

« Article 6. AUTHORISED CAPITAL.

§1. The board of directors may increase the capital of the company in one or several times by a (cumulative) amount of maximum forty-four million five hundred and sixty-four thousand three hundred twenty euros and two cents (€ 44,564,320.02). This authorisation may be renewed in accordance with the applicable legal provisions. The board of directors can exercise this authorisation for a period of five (5) years, to be calculated as from the date of publication in the Annexes to the Belgian Official State Gazette of the authorisation approved by the extraordinary general meeting of [date of the extraordinary general meeting approving the renewal of the authorised capital].

§2. The capital increases to which can be decided according to this authorisation, shall take place in accordance with the modalities to be determined by the board of directors and can be realised by way of contribution in cash or in kind or by way of conversion of reserves into capital, whether or not available for distribution and issue premiums, with or without the issue of new shares and with or without payment of an issue premium.

The board of directors may also use this authorisation to issue convertible bonds, warrants or bonds to which warrants or other movable values are attached, or other securities. When using its authorisation within the framework of the authorised capital, the board of directors may, in the interest of the company and within the limits and in accordance with the conditions prescribed by the Belgian Code of Companies and Associations, restrict or cancel the preferential subscription right of shareholders. Such restriction or cancellation may also be done in favour of employees of the company or its subsidiaries or in favour of one or more specified persons, even if they are not employees of the company or its subsidiaries.

§3. If, on the occasion of a capital increase decided upon within the framework of the authorised capital, an issue premium is paid, this shall be booked in the "Issue premiums" account, which shall constitute a guarantee for third parties to the same extent as the company's capital, and which, subject to the possibility of converting this reserve into capital, may only be disposed of in accordance with the conditions set by the Belgian Code of Companies and Associations for amendments to the articles of association.

§4. The board of directors is hereby expressly authorised to proceed with a capital increase in any form, including but not limited to a capital increase accompanied by a restriction or cancellation of the preferential subscription right, even after receipt by the company of the notification from the Belgian Financial Services and Markets Authority (FSMA) that it has been notified of a public takeover bid on the shares of the company. This authorisation is valid in relation to public takeover bids of which the company receives the aforementioned notification no more than three years after [date of the extraordinary general meeting approving the renewal of the authorised capital]. This authorisation may be renewed for an additional period of three years by resolution of the general meeting, which shall deliberate and resolve in accordance with the applicable provisions. The capital increases decided upon within the

framework of this authorisation shall be allocated to the remaining part of the authorised capital referred to in the first paragraph.

§5. The board of directors is authorised, with the possibility of substitution, to amend the articles of association after each capital increase which has been effected within the limits of the authorised capital, in order to bring them in line with the new status of the capital and the shares. «
